

## **THE NBCOT GOES TO SCHOOL**

The NBCOT was honored to be invited to speak to the ROP Orthopaedic Technologist Program in Anaheim, CA on November 19th, 2005. The purpose of the visit was to speak to the class on the importance of certification, how the certification examination is developed and the ABCs of taking examinations.

The ROP students met the Chairman and Executive Director with excellent questions regarding certification.

The NBCOT commends and thanks ROP Director Frank Perreault, OTC, OPA-C for inviting and allowing the time for NBCOT to visit his school and to speak with his class on this important issue.
