

## **ID Photos Requirement**

In order to identify the certificants and to issue an ID Certification, a passport type photo is required. ID Photos can be taken in your local area and need to be sent with rest of your documentation for processing. As you can see by the illustration given, ID Photos have certain requirements and should be professionally taken. When you take your ID photos you will receive two identical photos to submit. Both photos are to be sent in for processing.

**With your name printed on the back of each photo.**
