Executive Director MAOT

Richard was the Executive Director of the Maryland Association of Orthopaedic Technologists for the past three years. He was not only instrumental in making MAOT a well known and established association, he was also a avid supporter of the NBCOT. A man with a very strong and lovable personality whose medicine of choice was laughter. He is survived by his wife Stacy of 32 years and children Scott, Josh, and Marci. Rich will be greatly missed by all of us and will be remembered in our hearts and minds.

A Memorial Testing Sponsorship will established by the NBCOT in his name to honor his contributions to the profession of Orthopaedic Technology.
