

OTC ® Candidates applying under Eligibility Route B **MUST** follow the same application process as any other candidates.

The Physician verification section found within the application must be signed and notarized.

There are **NO** exceptions to this requirement.

A copy of your graduation certificate from the school must be included with the application.

If the Physician verification attestation is not signed and notarized, and a copy of your graduation certificate is not enclosed with the completed application, your application will be returned to you unprocessed.
